COVID restrictions have continued to cause problems for us all. The Club has remained closed for a significant amount of time not only affecting the overall survival of the Club but the membership benefits as well. We have received a lot of emails regarding renewals – please be assured the Club will not cancel any membership during these difficult times. The Board of management will be meeting to discuss extension of membership dates and the final arrangements will be conveyed to all members in a later newsletter.

For now, the next step will be to hold the **Annual General Meeting**. Please see below for details.

All nominations are now open and will close **Friday 6th November**. Due to the significant costs involved in posting the nominations to all members the Board of Management will advertise who has nominated on the Club website and Facebook pages after the closing date for nominations.
